Approach to God

Ringing of the Bell

Call to Worship: Gwen *(Read **bold** together)*

In the beginning God created the heavens and the earth.

And light, and lights. And it was good. And it IS good.

In the beginning was the Word.

The Word was with God, The Word was God;

All things came to be through the Word.

In the Word was life, the life that is the light of all people.

In the beginning the life was the light of the world;

it shines in the darkness.

And the darkness has not overcome it.
