Pastor John Barry's Biography

John D. Barry is a pastor, nonprofit CEO, and Bible scholar. As a Minister of Word and Sacrament, John currently serves at Faith Reformed Church (Lynden, WA) and with church plants in Whatcom County. John also serves with Jesus' Economy, an innovative nonprofit creating jobs and churches in the developing world.

After a career in Christian publishing and Bible software, John and his wife, Kalene, sold their house and nearly everything they owned to dedicate their lives to spreading the gospel and empowering the impoverished. Both John and Kalene volunteer their time for Jesus' Economy. On JesusEconomy.org, people can shop fair trade from hundreds of artisans around the world, and give to the cause of their choice, such as church planting, empowering women, or providing clean water. 100% of giving goes directly where the donor designates, every time.

John is the general editor of the highly acclaimed *Faith life Study Bible* and *Lexham Bible Dictionary* and the former editor of *Bible Study Magazine*. His most recent book is *Jesus' Economy: A Biblical View of Poverty, the Currency of Love, and a Pattern for Lasting Change*.
